WCA Climb the O₂

5:45pm, Thursday 13 June, 2019

The Master invites you to join us on an adventurous WCA outing to Up at the O₂ on Thursday 13 June 2019. This exciting experience encourages you to embrace the great outdoors in the heart of London as you climb to the summit of the O₂.

The evening will begin with a safety briefing with the group's expert climb guide, who will walk you through the safety procedures and provide you with your 'Urban Mountaineering' kit including a fetching climb suit, harness and climb shoes. Once the briefing is completed and you're geared up, the climb will begin! You'll ascend all the way to the top of The O₂ via a walkway, suspended 52m above ground level until you reach the observation deck; where you can take as many pictures as you'd like of the spectacular views of London – or yourself if you'd prefer!

Once the group has made their descent and de-gared we'll continue our expedition in pursuit of food and drinks, journeying to All Bar One at the O₂. There you can refuel and relax after your climbing adventure with a 3 course set meal.
